

## NEWS & NOTES

An unfortunate error was made in printing the letterheads of The American Society of Adlerian Psychology. The address of Dr. Lydia Sicher was incorrectly stated. It should be:

Dr. Lydia Sicher  
Hotel Claremont  
1044 Tiverton Street  
Los Angeles 24, California

In Volume XI, Number 1 (1954), under BOOK REVIEWS, page 90, there was an error in authorship of a review of Mr. Leo Rattner's book *Individualpsychologische Berufsberatung* (Individual-Psychological Vocational Guidance). The book was reviewed by Sofie Lazarsfeld rather than Danica Deutsch, as the review appeared in the last number. Our apologies to Mrs. Lazarsfeld.
