

KURT GOLDSTEIN BIBLIOGRAPHY:
SUPPLEMENT, 1945-1965

JOSEPH MEIERS, M. D.

New York, N. Y.

The following bibliography of Kurt Goldstein supplements one published earlier in this Journal, in collaboration with Norbett L. Mintz (1959, 15, 15-19), covering the years 1936-1959 and listing some 75 items. A full bibliography of Goldstein's works for the years 1903-1958 has also been prepared by the present author. Overlapping with the former, it contains 125 additional titles prior to 1936. It is available from the American Documentation Institute, Auxiliary Publications Project, Photoduplication Service, Library of Congress, Washington 25, D. C., as Document No. 5816.
